## The Shaving of Shagpat

*by George Meredith (1828-1909)*

The novel is a humorous oriental romance and allegory written in the style of the Arabian Nights. Like its model, it includes a number of stories within the story, along with poetic asides.

“The variety of scenes and images, the untiring evolution of plot, the kaleidoscopic shifting of harmonious colours, all these seem of the very essence of Arabia, and to coil directly from some bottle of a genie. Ah! what a bottle!” -Edmund Gosse in Gossip in a Library
